Howdy friends,

As the 2023-2024 President of the AAF Dallas club, I couldn't be more excited to announce this year's Annual Sponsorship Program. Our Dallas club has a reputation steeped in success, bringing the Dallas advertising community together for fellowship, celebration and networking.

This year we're adding a layer of good ol' friendly competition! The Board is shaking up our large-event schedule and bringing to life a few hands-on experiential events to celebrate our industry in new ways, including the American Advertising Awards and AAF Dallas Spring Pickleball Tournament

So go ahead - pull out those old cleats and dust off that jump shot! Bump Set, Spike anyone? We are excited to see Dallas agencies put their creativity and sportsmanship to the test this year.

With our annual sponsorship, not only will you have VIP access and bragging rights as a named sponsor for our cornerstone events, you will also give back to #OurDallas with scholarships and support for the next generation of creatives.

We hope you'll join us in sponsoring these amazing opportunities. Please feel free to reach out to office@aafdallas.org or president@aafdallas.org with any questions. Game on!

Thank you,

Deja S. Sanders

SPONSORSHIP OPPORTUNITIES

Become a sponsor of the Dallas advertising industry's premier event.

Thank you for your interest in contributing to AAF Dallas's mission to elevate the outstanding talent in the Dallas advertising industry. We are looking for generous underwriters like yourself to help us produce our 61st annual American Advertising Awards gala so it can stay accessible to Dallas advertising professionals. Hosted at On The Levee, in Dallas, TX, the 2024 Dallas American Advertising Awards Gala bring together the best in Dallas Advertising for a Creative Homecoming like no other!

The event brings together more than 400 big thinkers representing every facet of the advertising industry, from creatives to media planners, strategists, publishers, account executives, digital producers and many more.

The American Advertising Awards are the largest advertising awards program in the United States that celebrates creativity and excellence in advertising. Entry into the American Advertising Awards begins with your local AAF chapter like AAF Dallas. A jury of advertising peers from around the nation will judge the local competition which will determine who will receive the honor of Gold, Silver and Bronze ADDY Awards. Only the best work will then move on to the district and national levels for the opportunity to elevate your agency as one of the best in the industry.

By sponsoring the 2024 Dallas American Advertising Awards, you help grow our entire industry through programs such as public service, internships, advocacy groups, advertising education and consumer awareness.

About the Suits Awards: AAF Dallas is excited to present the 2024 Suits Awards, selecting and honoring ambassadors of creative work who, in the past, have gone unrecognized during the Creative Awards Season. They put in the work behind the great work in the advertising industry. These unsung heroes and heroines have toiled behind the scenes. We think it's time we recognize those who support great creative. See <https://american-advertising-awards.aafdallas.org/> for categories.

About the AAF Dallas: The oldest civic group in the city, AAF Dallas is the preeminent organization for advertising professionals in North Texas. It is where people come together to network, learn and forge the personal and professional relationships they will value throughout their careers.

One of the largest of the 200 chapters of the American Advertising Federation, AAF Dallas is part of a nationwide, grassroots organization that derives its strength from the energy and contributions of its members. We hope you will join us as a sponsor for the 2024 Dallas American Advertising Awards and help us celebrate that amazing energy!
