2027 American Advertising Awards SPONSORSHIP OPPORTUNITIES

BECOME A SPONSOR OF THE DALLAS ADVERTISING INDUSTRY'S PREMIER EVENT

Thank you for your interest in contributing to the AAF Dallas mission to elevate the outstanding talent in the Dallas advertising community. We are looking for generous underwriters to help us produce our 64th annual American Advertising Awards gala, ensuring it remains accessible to Dallas advertising professionals. Hosted at Gilley's Dallas, the 2027 Awards bring together the best in Dallas advertising for an evening of suspense as we see which creative communications killed it this year.

The event brings together more than 500 big thinkers representing every essential discipline in the advertising industry – strategy, creative, client services and project management, production, media planning and buying, media outlets and many more.

The American Advertising Awards is the largest advertising awards program in the United States, celebrating creativity and excellence in advertising. Entry into the American Advertising Awards begins with your local AAF chapter, like AAF Dallas. A jury of advertising peers from around the nation judge the local competition, which determines who will receive the honors of Gold and Silver ADDY Awards. Only the best work advances to the district and national levels, giving Dallas agencies the opportunity to be recognized as some of the best in the country.

By sponsoring the 2027 Dallas American Advertising Awards, you help grow our entire industry through several of our programs – public service, internships, advocacy groups, advertising education and consumer awareness.
